

vision ENRICHING LIFE'S JOURNEY TOGETHER

Strategic Plan 2023 to 2026

We will continue to leverage our Alliance structure to expand our capacity and services.

Quality care

that is patient-centred, timely, efficient, effective, equitable and safe.

- » Provide timely access to:
 - care for older adults and those without a primary care provider
 - cancer screening services
 - mental health and addictions care from regionally funded services
 - robust surgical services at both sites
- » Ensure system integration at the Community, Huron Perth and Regional levels
- » Explore implementation of the provincial Wait Time Information System

A workplace

that nurtures individual and collective potential.

- » Ensure professionals are working to their maximum scope while minimizing workload
- » Develop staff retention strategies that focus on a safe and healthy workplace
- » Offer professional development opportunities for learners and staff, and create a fulsome leadership succession plan
- » Expand our application of diversity, equity, and inclusion principles
- » Create practice ready medical facilities and reduce administrative and operational barriers for all physicians

- » Identify health care needs and services required in our communities
- » Conduct collaborative program and resource planning with the Family Health Team
- » Engage in focused partnerships with police, emergency medical services, long term care and home and community care
- » Ensure equitable access to regionally funded programs and services

Enriching Life's Journey Together

Meaningful partnerships

to offer a seamless patient experience.

- » Assess impacts of projected community growth, and consider strategies for managing varying patient volumes
- » Create Master Facility Plans
- » Determine if health services could be provided more effectively by others
- » Develop information roadmaps while supporting projects that link disparate hospital information systems
- » Implement online booking for patients

A sustainable and resilient environment

that is here for future generations.
