POSITION POSTING # L24-E06
POSITION: Practice Nurse Lead – Vascular/Cardiac & Acute Clinical Care
UNIT: Multi-Unit
STATUS: Two Year Term
START DATE: October 2024 – October 2026

POSITION SUMMARY:

Practice Nurse Leads are RNs employed by LWHA who provide practice support for clinical areas within the organization. Practice support may include but is not limited to creating and supporting education for clinical staff, providing hands-on and/or remote support and consultation related to their area of expertise and participate in policy development and best practice implementation. The foundation of the PNL role is transferrable across specialty area, but the work completed will be specific to the specialty area outlined above- vascular.

QUALIFICATIONS:

- RN with full or part-time status (CNL title excluded)
- Skilled in the insertion and/or management of vascular access devices used within the organization
- Current BCLS & ACLS
- 12/15lead ECG interpretation course
- Adult learning courses, an asset
- Strong leadership skills
- Strong skills related to the gathering of evidence and best practice implementation
- Strong communication skills
- Willingness to obtain further education and certificates related to the management of vascular access devices, cardiac and acute clinical care
- CNA's Cardiovascular nursing certificate, an asset
- Critical care nursing certificate, an asset
- Perioperative care courses, an asset

POSITION-SPECIFIC RESPONSIBILITIES AND TASKS:

- Demonstrated knowledge in the area of vascular access (IV, PICC, CVAD, etc.)
- Demonstrated expertise in the area of cardiac and critical care including the interpretation of ECGs, emergency medications, and cardiac arrhythmia interpretation
- Strong skillset related to the use of Zoll defibrillator & cardiac monitoring equipment
- Excellent communication and interpersonal skills
- Seek out opportunities for quality improvement and risk mitigation
- Ability to organize, problem solve, & think critically
- Ability to deliver education sessions consistent with adult learning principles
- Effective time management skills
- Confident in the use of PowerPoint and similar technology
- Effective communication with patients, families, physicians, staff and community partners.
- Competent operation of medical equipment.
- Working knowledge of evidence-based resources available at LWHA (i.e., library services)
- This position will not replace current position or responsibilities

TERMS & CONDITIONS

- Will not replace current position or responsibilities
- A portion of regular time commitment may need to be adjusted or replaced for practice lead duties or initiates
- Practice lead work will not result in overtime without approval from leader

HOURS OF WORK: approx. 12 hours per month

Interested applicants are asked to apply, in writing, complete with full resume, indicating their qualifications and pertinent skills to:
