Submission Details

Submission Deadlines

All submissions for responding to this request must be submitted electronically to the below contacts no later than:

August 6, 2025

It is important to provide a response for each section in this RFQ.

Submission Questions and Clarifications

You may contact the following person if you have any questions or require clarification on any topics covered in this Request for Quote:

Krista Robinson
Junior Purchaser
Listowel Wingham Hospitals Alliance
Phone: 519-357-3210 x 6398
Krista.robinson@lwha.ca

Electronic responses via email will be accepted.

Introduction and Executive Summary

LWHA is seeking quotes for boiler chemicals.

If site visit is required, please coordinate with Krista Robinson.

Business Overview & Background

Please visit us at www.lwha.ca

.

Selection Criteria

Our final selection will be based on your response to each section in this RFQ.

Instructions:

1. Quotations will not be considered unless this document is returned completed and signed.
2. If unable to quote, please return form advising to that effect.
3. LWHA reserves the right to accept or reject all or any part of this quotation.
4. If you have any questions please contact Krista Robinson.
5. Quotations are due back to Krista Robinson August 6, 2025.
6. Complete a quotation for the goods or services listed in Section 1 – Scope of Work
7. Respond to the terms and conditions Section 3 – Terms and Conditions

Section 1 - Scope of Work

LWHA is currently seeking quotes for water treatment systems including but not limited to:

Boiler Feed Water
Condensate Treatment
Water Softener Testing
Reagent Supply
Chemical Supply
Chemical Pump Inspections/Parts
Boiler Layup
Yearly Boiler Inspections with TSSA/Insurance Boiler Vendor
Monthly Site Visits come with inspection reports

Supply : reagent and chemicals need to be compatible to what the hospitals are currently using, receipt history is Attached of what we have been buying.

We are looking for improvement and cost savings opportunities.

This includes our Wingham locations : Wingham Hospital, Royal Oaks Medical Center, and our Listowel locations: Listowel Hospital and Fisher Family Center (this will be new in fall 2025)

Please include your site visits and testing in your quote. Please explain your recommended frequency for Site testing, and how your water treatment services operate. Please provide a sample of your report.

Section 2 - Quote Breakdown

Reagents & Chemicals:

Please quote your equivalent material in the spreadsheet attached in the format attached.

Water Treatment Testing and Services:

All prices are to include freight and delivery.

Section 3 - Terms and Conditions

Incoterms 2010- EXW Wingham, ON

Contractors working on site are required to have \$5 million liability insurance and provide proof of this. WSIB is also a requirement and proof must be provided.

LWHA reserves the right in its sole discretion to request clarification and/or further information from one or more prospective suppliers after closing without becoming obligated to offer the same opportunity to all prospective suppliers.

LWHA reserves the right in its sole discretion to negotiate modifications to any quotation received without becoming obligated to offer to negotiate with any other prospective supplier.

LWHA intends that a signed contract and purchase order for this project will be executed with the chosen supplier prior to any portion of the service being provided.

Section 4 - Acceptance Criteria and Payment

100%, Net 30

Acceptance is defined as being signed off by project manager that all items purchased installed and operating.

Complete Questionnaire below:

1. Quotation in Canadian Dollars?
2. Are you part of any of the hospital buying groups?
3. What hospitals do you currently service?
4. Is the electrical equipment CSA or equivalent approved?
5. Are controlled goods involved (e.g. radioactive, alcohol, hazardous)?

6. If yes to item 3 above have you included all SDS?
7. Are permits or other certifications required?
8. Are your warranties clearly described?
9. Are there any services required – electrical, cabling, water pressure, temperature, etc.
10. What is your project timeline for completion?
11. Where is your product serviced from?
12. Please accept payment terms as defined above.
