Community Outpatient Clinic (Wingham and District Hospital)

*If a patient meets **ANY** of the below guidelines, please refer to Wingham.*

To be eligible for physiotherapy services funded under this program, patients must require physiotherapy as a result of a new illness, injury, fall, accident or surgery, or a flare up of a previous illness, injury or chronic disease where symptoms have become progressively worse, leading to a decrease in function or mobility. Patients must also be insured under the Ontario Health Insurance Plan (OHIP) and be within **one** of the following categories:

- Aged 65 years and older;
- Aged 19 years and younger;

OR

- Discharged as an inpatient from a hospital after an overnight stay in the last twelve months, and requires physiotherapy for the condition, illness or injury directly as a result of the reason for the hospitalization; or
- Discharged from a hospital following outpatient/day surgery in the last twelve months, and requires physiotherapy for the condition, illness or injury that occasioned the procedure;

OR

- Approved for funding under the Ontario Disability Support (ODSP) or Ontario Works (OW) programs

Exclusions:

- *Patients with Motor Vehicle Accident*
- *Workplace Safety and Insurance Act (WSIB) claims*

LISTOWEL MEMORIAL HOSPITAL

No longer offering Outpatient Physiotherapy

If your patient is not eligible for the Community Outpatient Clinic at Wingham & District Hospital, please consider alternative options for physiotherapy, which include:

- Private Clinics
 - Workplace Safety and Insurance Act (WSIB) claims
 - Private Health Insurance/ Benefits
 - Patients with Motor Vehicle Accident claims
- Home and Community Care Referral for Physiotherapy
 - For those who are unable to get out to a clinic (elderly/frail; already on Home Care services)
