POSITION POSTING # L26-73- Existing Vacancy
POSITION: Registered Ultrasound Technologist
LOCATION: Listowel and Wingham
UNIT: Diagnostic Imaging
STATUS: Casual
START DATE: As soon as possible
SALARY RANGE: \$43.54 - \$54.43 (5 step grid based on experience)

POSITION SUMMARY:

Sonographers are highly skilled professionals who use specialized equipment to create images of structures inside the human body that are used by physicians to make a medical diagnosis. Sonographers require independent judgement, ingenuity and initiative in the application of diagnostic ultrasound as well as excellent communication skills and the ability to describe details in a precise manner.

QUALIFICATIONS:

- Graduate of an accredited ultrasound program
- Registered with American Registry of Diagnostic Medical Sonographers (A.R.D.M.S.) and/or Sonography Canada
- Effective January 1, 2019, all sonographers must be registered with the College of Medical Radiation Imaging Technologists of Ontario to practice.
- Preferred registration with the Ontario Association of Medical Radiation Sciences (OARMS)
- Completion of required 30 hours of continuing education per triennium to maintain registration
- Relevant clinical experience is preferred
- 6 months to 1-year relevant experience

EFFORT:

- Moderate/high degree of physical effort
- High degree of mental effort and analysis

POSITION-SPECIFIC RESPONSIBILITIES AND TASKS:

- Assists Radiologist, or other designated consultants with special procedures and seek assistance from Medical Staff where appropriate
- Ensure the patients have been properly prepared prior the examination and have been informed about the nature of study. Gains patient cooperation by reducing anxieties, providing explanations of treatments; answering questions.
- Maintains proper records for Quality Assurance and statistical reporting purposes
- Recognizes the significance of all structures that are visualized on the images at all times differentiating artifact from normal or pathological process.
- Records pertinent patient history, documents impression and observations of the examination for the Radiologist
- Selects proper technical factors to produce optimal examination

HOURS OF WORK: Ability to work rotating shifts, holidays, weekends and on call is required

Interested applicants are asked to apply, in writing, complete with full resume, indicating their qualifications and pertinent skills to:
